DETAILED ACTION

REASONS FOR ALLOWANCE

Claims 1 and 3-4 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record fail to disclose the combination of all the limitations recited, including a plurality of leads, the leads are each defined into a middle portion extends outwardly at sides thereof to form protrusions for reducing spacing between the adjacent middle portions of the leads, wherein the middle portions of the leads are arranged in a manner that spacing between adjacent middle portions is 0.10 mm, or equal to or smaller than 0.15 mm; an encapsulant for encapsulating the middle portions of the leads.

Therefore, the amended limitation together with the overall structure of the semiconductor package is neither anticipated nor rendered obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
